

MEDIA ADVISORY

MATTRESSRECYCLING.CA KICKS OFF HOLIDAY SEASON WITH FREE MATTRESS PICK-UP FOOD DRIVE

Event: Heaping or Humble Food Drive for Covenant House

Date: Sunday, Dec. 11, 2011, all day

Location: Metro Vancouver

On Sunday, Dec. 11, 2011, MattressRecycling.ca is offering free mattress, box spring and futon collection for Metro Vancouver residents in exchange for a bag of non-perishable food items for Covenant House Vancouver.

Non-perishable food items are urgently needed at Covenant House, a safe house for youth who have often fled physical, emotional and/or sexual abuse, been forced from their homes or been aged out of foster care. Covenant House provides food, shelter, clothing and counselling to the estimated 500-1,000 street youth in Vancouver.

MattressRecycling.ca, western Canada's first mattress recycling centre, will waive their residential pick-up fee (\$62.50+HST) on used mattresses in exchange for an *any-sized* bag of food at the time of collection. "Basically we just want people to give whatever they can," says CEO Fabio Scaldaferrri.

Mattresses must be ready for collection at the front door and certain conditions apply. Arrange your pick up during the Heaping or Humble Food Drive by calling 604-973-0183 or emailing info@mattressrecycling.ca to book your donation!
